Phase III KT comments (catri edits).docx

Kim,

I think you did a good job capturing important comments we already forwarded to MassDEP but that are also important to send directly to AVX since we don't know what or when MassDEP will actually communicate to AVX. I've added some thoughts about one or two others you might consider adding in and some edits. I'm around the rest of today (except lunch time) if you want to discuss. Flexing tomorrow.

INTERNAL WORK PRODUCT: NOT RELEASABLE UNDER FOIA

I have reviewed Phase II Report and the Phase III Report with regards to TSCA. Please see my attached ***draft comments***. There may be grammar/typos, etc, but wanted to get these to you given my deadlines. I would like to finalize and get these to AVX early next week.

Please let me know when you would like to discuss and/or have questions.
